

BAND PROFILE 2025

BAND OVERVIEW

CHAPTER I

AS OUR THRONE

Formed in 2011 the band experienced a transformation and emerged as As Our Throne, marking the beginning of their remarkable musical journey in the realm of Metal. Fuelled by an unwavering passion for their craft, they wholeheartedly embraced the spirit of Metal and its diverse subgenres. Their dedication and talent propelled them to share stages with both local and international acts, ranging from hardcore pioneers to renowned metal giants. Notable collaborations include memorable performances alongside Blind Tribe, Massacre Conspiracy, S.O.G, The Padangs, Incarnation, Daarchlea, Artefacts, Restraints, Upon Arrival, Kids On The Move, Thy Regiment, Burgerkill, I Killed The Prom Queen, Revenge The Fate, SiksakubuR, Malevolent, Miss May I, and an extensive list of other esteemed artists. Through their performances, As Our Throne aimed to dispel the notion of metal as mere aggressive noise and shed light on its expansive nature as a profound and multifaceted musical genre. Their music transcends boundaries, challenging the world's ignorance and revealing that metal is a vast and enriching universe, offering far more than just a collection of loud, extreme sounds.

Melodic Death Metal Band AS OUR THRONE Drop "Taubah" [Malaysia]

By [Unite Asia](#) on December 23, 2021 @ [uniteasia](#)

Malaysian metal powerhouse **AS OUR THRONE** has unleashed their highly anticipated single, "TAUBAH," marking a bold step forward in their musical evolution. The track showcases the band's dedication to delivering a meticulously crafted sound, blending rawness intensity with haunting melodies, as they gear up for their upcoming full-length album.

"TAUBAH" delves deep into themes of self-reflection, redemption, and inner struggle, resonating with listeners who crave meaningful narratives alongside bone-crushing riffs and dynamic instrumentation. The single captures AS Our Throne's signature fusion of melodic death metal precision and creative depth, solidifying their position as one of Malaysia's most exciting acts in the metal scene.

Known for their relentless energy and unparalleled musicianship, AS Our Throne has spent years refining their sound to push the boundaries of extreme metal. "TAUBAH" serves as a testament to their unwavering commitment to growth and innovation. The track's intricate guitar work, thunderous drumming, and emotionally charged vocals offer a tantalizing preview of what fans can expect from their forthcoming album.

"TAUBAH" is a deeply personal track for us," says Fadzir Riezda, vocalist/guitarist. "It reflects a journey of confronting one's demons and finding hope in the process. We're excited for our fans to experience this new chapter in our musical journey and can't wait to share more from the album soon."

"TAUBAH" kini tersedia untuk streaming dan diunduh di semua platform musik utama, termasuk Spotify, Apple Music, dan YouTube. Penggemar juga dapat menonton video musik resminya di saluran YouTube band tersebut, yang menghidupkan narasi mendalam lagu tersebut melalui visual yang memukau.

Dibentuk pada tahun 2011, As Our Throne telah menciptakan ceruk tersendiri di kancah musik metal Malaysia dan internasional dengan pendekatan inovatif terhadap melodic metal. Mengambil inspirasi dari pengaruh klasik dan modern, grup ini terus memikat penonton dengan penampilan energik dan musik yang penuh makna.

As Our Throne, telah merilis single mereka yang sangat dinanti, "TAUBAH," yang menandai langkah berani dalam evolusi musik mereka. Lagu ini menampilkan dedikasi band terhadap suara melodi metal yang dibuat dengan cermat, menggabungkan intensitas intens dengan melodi yang menghantui, dalam persiapan untuk album penuh mereka yang akan datang. "TAUBAH" mengeksplorasi tema-tema mendalam seperti refleksi diri, penebusan, dan perjuangan batin, yang pastinya akan menyentuh hati pendengar yang haus akan narasi bermakna disertai riff yang energik dan aransemen musik yang dinamis. Lagu ini menangkap perpaduan unik As Our Throne antara presisi heavy metal dan emosi yang mendalam, sehingga mengukuhkan posisi mereka sebagai salah satu band paling menarik di kancah musik metal Malaysia.

Dikenal karena energi mereka yang tak tergoyahkan dan keterampilan musik yang tak tertandingi, As Our Throne telah menghabiskan waktu bertahun-tahun mengasah bakat mereka untuk menantang batas-batas arus utama metal ekstrim. "TAUBAH" adalah bukti komitmen teguh mereka terhadap pertumbuhan dan inovasi. Pengerjaan gitar yang rumit, ketukan drum yang menggelegar, dan vokal yang emosional memberikan gambaran sekilas tentang apa yang dapat diharapkan penggemar dari album mendatang mereka.

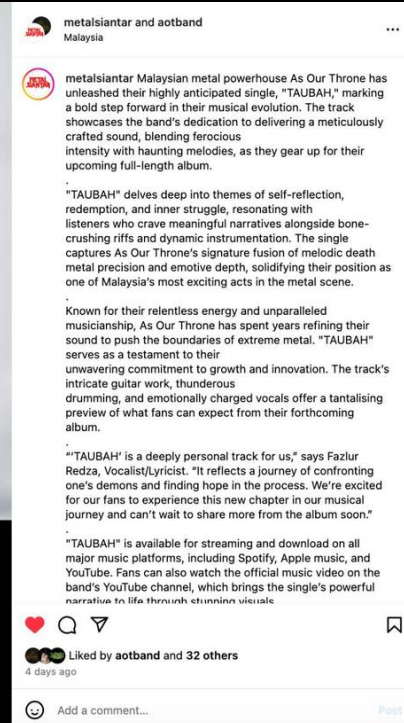

"TAUBAH" adalah lagu yang sangat personal bagi kami," kata Fazlur Redza, Vokalis/Penulis Lirik. "Ini melambangkan atau mencerminkan perjalanan menghadapi bayangan diri sendiri dan menemukan harapan dalam prosesnya. Setiap anggota AOT sangat antusias agar para penggemar dapat merasakan babak baru dalam perjalanan musik kami dan tidak sabar untuk segera berbagi lebih banyak dari album ini."

MENUTUP 2025 DENGAN BREAKDOWN EDAN!

Dipersembahkan oleh @aotband yang baru aja merilis single berjudul "Sa'at". Fix ini jadi salah satu rilisan metalcore yang xmininx suka bulan ini.

Band asal Malaysia ini mainin metalcore yang dinaikin levelnya poi ke arah yang lebih ngebut dan heavy, plus ada vibe blackened deathcore juga di dalam musiknya.

Ada riff-riff cepet ala Lorna Shore, tapi vokalnya tetap metalcore dan juga ada clean vocal-nya. Jujur ini kaya formula yang unik dan fresh banget.

Yang xmininx suka juga gimana AOT mengemas breakdown-nya. Ngebut, rapet, kaya sesuatu yang kita denger di 2010-an dulu pas band kaya Born Of Osiris, Veil of Maya dan Structures merajalela.

Udah jarang banget denger breakdown segalak ini di era modern.
